

VET DELIVERED TO SECONDARY STUDENTS

Certificate III in Information Technology (ICT30120) (full completion)

PROGRAM DESCRIPTION

The Certificate III in Information Technology program provides students with entry level training in the exciting new medium of digital technology. This program focal point will be creating ICT user documentation and install, configure a small home office network.

WHO SHOULD APPLY?

Students who are interested in the creative and technological side of computers and have an open and flexible attitude towards change and advancement in the information technology industry.

PROGRAM STRUCTURE

2-year program
Delivered one afternoon

LOCATION

SWTAFE Warrnambool Campus

PATHWAYS

This program will help students prepare for work as web page designers, animators, visualisers and digital video and multimedia producers. With additional training and experience potential employment opportunities can include web designer or developer, games designer, animator or special effects producer.

This program has been designed to articulate with the Certificate IV in Information Technology, Diploma of Graphic Design and the Advanced Diploma of Arts (Electronic Design and Interactive Media).

WORK PLACEMENTS

The VCAA strongly recommends a minimum of 80 hours of work placement for this program.

CONTRIBUTION TO THE VCE

Students undertaking this VET DSS program are eligible for credit of up to four VCE VET units on their VCE Statement of Results: two units at Unit 1-2 level and a Unit 3-4 sequence.

Students have the option to undertake scored assessment, and the study score can be fully counted as one of the student's best four studies for ATAR purposes, or will count as a fifth or sixth study increment, if it is not one of the student's four highest scores.

Students undertaking this VET DSS program through the VCE Vocational Major stream will need to complete a minimum of 180 nominal hours of a VET DSS program over a 2-year period.

BENEFITS STUDYING A VETDSS PROGRAM AT SWTAFE

- A SWTAFE VETDSS program allows school students to develop industry-specific skills, develop employability skills and gain a nationally or state recognised VET qualification while completing their Victorian Certificate of Education.
- Valuable hands-on skills and experience for work, further training or university.
- You can explore potential careers while you are still in school.
